2021 New Hampshire Climate and Clean Energy Youth Forum

White House Youth Engagement Director, Department of Energy Justice Director, Department of Transportation Policy Assistant & New Hampshire Congressional Delegation will engage student environmental leaders

Concord, NH – Environmental concerns will take center stage on **Monday, March 8th** at the 2021 Climate and Clean Energy Youth Forum as students question national, regional, and New Hampshire state leaders on climate and energy policies and plans. The event will connect students and young professionals with **Biden-Harris climate and environmental justice leaders Shalanda Baker, Hannah Bristol, and Florence Chen** as well as with **New Hampshire's Congressional delegation**, scientists, business leaders, and environmental justice champions.

What: 2021 Climate and Clean Energy Youth Forum
Website: [Youth Climate and Clean Energy Town Hall | New Hampshire
nyouthclimatetownhall.com](https://www.nyouthclimatetownhall.com)
